

JUST SEARCH FILMS

**NICOLA
CAHILL**

USER STORY

- I want to find films to watch
- I want to hear about new films
- I want to have my searches stored

METHODOLOGIES & APPROACH

AGILE PROJECT MANAGEMENT

- Uses incremental, iterative steps with Kanban board

AGILE PRINCIPLES we used

- Welcome changing requirements
- Self organised teams
 - Work together daily
- Continual improvement through team reflection and adjustment

GITHUB PROJECT BOARDS

- Dashboard assigns, tracks,

- ISSUES track & organise

- Labels

- Milestones

CHALLENGES

- Learning curves with :
- Planning - need to allocate more time
 - Git Hub issues
 - Took a while to resolve
- API AVAILABILITY
 - Lots of time used
 - API call issues

SUCCESSSES

- WORKING WELL AS A TEAM
- EFFECTIVE COMMUNICATION USING GITHUB PROJECT BOARDS
- ADAPTING WELL TO CHANGING PRIORITIES

DIRECTIONS FOR FURTHER DEVELOPMENT

- Future ability to add the following features
 - Images for films searched for
 - Score ratings
 - Links to cast details
 - And recommendations
